October 19, 2011 Journal Entry: Day One. (Not really day one)

Hello! My name is Demyx, But you probably already knew that. Anyways, This is my first (Not technically) day on Faceybook. Anywho, I've noticed something weird about Xemnas.. His name has a hilarious anagram. It's "Mansex". That's funny. Of course, everyone in the Organization started abusing his "nickname". If I had a heart, I would feel sorry for him. But alas, I do not have a heart to feel with so I don't feel sorry for him.

I've also noticed that Saix seems to be limping more than usual... He says that he gets hurt a lot from battling the heartless, but I don't believe him. He also spends more time with the Superior.. Which is very unusual... For me, at least. Oh well... I'll ask Axel, even though I have a strange gut "feeling" that I'm probably doing the wrong thing by asking him. Bye~ - Demyx "The Melodious Nocturne"
